Next meeting Saturday July 11th 9:00 AM at the field

President's Message-Shawn Lenci

I am a bit late again getting this out so I will be brief.

On June 23rd the Stanislaus County Board of Supervisors approved our site lease through 2025. We sent a check to cover the 2020/2021 lease period on June 29th so we are good to go until next summer. As you all know the Covid-19 numbers continual to dramatically rise every day. I have not heard any more news from the county other than to "continue to social distance" from the park manager Chuck. Please do everything you can to protect yourselves and others while at the flying site. Keep your 6' distance from others and wear masks if all practical.

The club has done very well with our donations for the hot melt crack filling machine and filler material. The project is a go and we will be buying the equipment as soon as my Dad and I get a Friday when we can drive up to Sacramento and purchase the equipment. This should be within the next 3 or 4 weeks. We can still use more money, so if you would like to donate to help the club out with this endeavor please contact me or my Dad directly or better yet come to the meeting on Saturday and donate there. Once we pick up the equipment our next step will be finding workers to help clean out the cracks and fill them in with new filler material. Please let me know if you will be able to help out with that process.

I had an inquiry from the members of the Mountain Flyers Club out of San Andreas asking about float flying at our site during the week. They like to float fly on Thursday's and flying is no longer an option at Hogan Reservoir. I told them if they wanted to become full members of our club we would allow them to hold float fly events on Thursdays for all RCFU club members at our site. So far we have 6 new members and very soon we will be having weekday float events on Thursdays. Get your float planes ready!

We had great turnout for our June 13th float fly. Everyone seemed to have a great time. The next 2 float fly events my Dad and I will be hosting will be on Saturday July 18th and Saturday August 8th. Hope so see you there. See attached calendar and flyer.

I hope to see all of you at the meeting this Saturday. We welcome any new ideas/discussions on new club business and any ideas to make our club and flying site more enjoyable for all.

Blue Skies

Shawn
